

HELP STOP GRASS FIRES !

Put out cigarettes properly before you leave your vehicle.

Never throw cigarette ends out of car windows.

Don't leave bottles or glass in woodlands. Sunlight shining through glass can start a fire.

Keep matches and lighters out of childrens reach and tell them how dangerous grass fires are.

If you see a fire in the countryside report it immediately.

Don't attempt to tackle fires that can't be put out with a bucket of water. Leave the area as soon as possible and call 999.
